Effective Immediately Those 16 and Older are Eligible for COVID-19 Vaccine

PANHANDLE HEALTH DISTRICT — Individuals who are 16 years of age and older are eligible to get their COVID-19 vaccine now through enrolled providers within Kootenai, Bonner, Boundary, Benewah, and Shoshone counties. Appointments for the week of March 29 were released by Panhandle Health District this Wednesday, March 24th at 0900. All previous phases are still eligible and encouraged to schedule an appointment if they have not already.

This decision comes after Governor Little made the announcement that in Idaho, those 16 years or older with an underlying health condition will be eligible to receive the vaccine beginning March 29th. The Idaho Department of Health and Welfare agreed that different health districts within Idaho may choose to move through the various Group 3 Subgroups at different rates.

"After assessing the situation with our enrolled vaccine providers, we made the decision as a group to move forward in the phases," said Don Duffy, Health Services Division Administrator for PHD. "We have the supply and available appointments but have continued to see a decline in demand. At the end of the day, we just want to get people vaccinated who are choosing to receive a vaccine."

Making an appointment: Online or by phone

Many providers are still utilizing their own vaccine appointment scheduling tools, while others have shifted to using the state's website: covidvaccine.idaho.gov where eligible individuals enter their name and contact information. From the pre-registry tool, providers pull names and directly connect with the person eligible for vaccine.

If you need help by phone with navigating the online appointment scheduling or do not have internet access, PHD's Call Center can assist you. Call 877-415-5225 Monday through Friday between 8:00 am and 5:00 pm.

Restaurant Revitalization Fund

One of the elements of the recently passed American Rescue Plan is the Restaurant Revitalization Fund. This program will be administered by the U.S. Small Business Association. The program is open to restaurants, food stands, food trucks, food carts, caterers, saloons, inns, taverns, bars, lounges, brewpubs, tasting rooms, taprooms, licensed facilities, or a premise of a beverage alcohol producer where the public may taste, sample, or purchase products, or other similar businesses where the public or patrons assemble for the primary purpose of being served food or drink. This also includes the same types of establishments located in an airport terminal or that are Tribally owned. Any business owned or operated (together or with an affiliate business) with more than 20 locations—regardless of whether those locations do business under the same name or different names are not eligible. Any business that has a pending grant application or has received a grant under section 324 of the Economic Aid to Hard-Hit Small Businesses, Nonprofits, Venues Act, are not eligible.
